For every business

High productivity, cost-efficiency and versatility

Outstanding Achievement in Innovation: Samsung Easy Eco Driver

Create professional documents more quickly

High speed printing of up to 38 ppm (pages per minute).

Higher-quality print output

- ReCP (Rendering engine for Clean Page) technology for sharp text and clear images.
- 1,200 x 1,200 effective dpi (dots per inch) resolution.

Additional printing choices for professional documents

- A multipurpose tray that handles wide range of media, up to 220 gsm (grams per square meter), such as labels, cardstock and envelopes.

Reduce operating expenses with economical features and solutions

Professional eco solution

- Easy Eco Driver enables users to set options to remove unnecessary text or images and also change the layout such as N-up printing without changing the original documents before printing.
- One Touch Eco Button automatically activates 2-up (two pages on one side of the paper) and duplex printing, toner-save mode and the option to skip blank pages.

More toner options, more choices for cost reduction

- Diverse toner options from 3,000 to 10,000 page yields that meet every businesses' needs for reducing cost per page.
- An integrated toner system contains the imaging unit and toner cartridge in one convenient package. This integrated toner system is the preferred choice for businesses with a heavier printing volume who require a lower CPP and easier maintenance.

Central print usage control to save more resources

- Samsung SyncThru™ Admin solution enables management to assign users to specific devices, and assign predetermined quotas for the number of printed pages or copies by user.

Improve productivity with versatile features from duplex printing to security

Built-in duplex printing

- Provides professional two-sided documents, brochures, and booklets with ease, which can also help save money and reduce paper use.

Mobile printing, easier than ever

- Convenient mobile print, scan and fax with powerful compatibility, optimized for various business environments.

Enterprise-level document security offers greater control of user, document and network access.

Streamline printing with ease-of-use design

Easy Printer Manager for smooth print operation from toner and job counting to device settings.

Easy secure printing with built-in numeric key pad.
